We will be selecting two girls to represent the county on the region international trips in summer 2020. The countries have been announced as China, India, Kenya & the Philippines!

We're excited to announce that Middlesex East will be going on an international in 2020 - our 75th birthday year! The destination is to be decided upon by participants once they have been selected. In honour of the special year Middlesex East Rangers and Young Leaders the options are Mexico or Switzerland to incorporate a visit to a world centre. Mexico would be Easter 2020 whilst Switzerland would be summer 2020.

Mexico would include a stay in Our Cabana, service project, adventure activities and a visit to a turtle conservation project.

Switzerland would include a visit to Our Chalet, adventure activities including zip wiring, white water rafting and tobogganing, exploring the beauty of the Swiss mountains by foot and cable care and going behind the scenes at a Swiss chocolate factory to see how magic is made.

If you're interested in joining an international trip, and would like to be considered for selection, you will need to attend the **county international weekend**. For more details and an application form, please email:
