Lord Mayors Show Feeding Station

Volunteers Needed for Lord Mayors Show Feeding Station 9th November 2019

Did you know, Girlguiding manages the feeding station for all the participants in the annual Lord Mayor's Show, which this year takes place on **9 November**?
www.lordmayorsshow.london

Middlesex East County will be running the lunch station this November and we are now recruiting volunteers aged 14+ (consent will be required for under 18s). We need about 30 people in total and we already have a number of volunteers from Surrey West who enjoyed it so much last year they want to help again!

The role is simple but quite physical - loading up ready-made food packages into black sacks for the participants and collecting up and sorting all the rubbish afterwards. Some groups return their rubbish but we have to trawl the street to collect from others. You will be outside and, on your feet, the whole time and potentially could get cold and wet - it is November after all!

Volunteers will be needed from about 8.00am until around 3.00pm at Temple Place (between Surrey Street and Arundel Street; right outside Temple Tube) You should get a short break during that time and a sandwich lunch, if you can face it after packing all those bags.

It is a very jolly day (despite the weather). The parade passes the end of the lunch pick up area so you may get to see a bit of it and all the people from the floats are very appreciative of the lunch.

Think you can help? Email Jacqueline.martyr@gmail.com giving your name, emergency contact details (names and numbers) and age if under 18 on 9th November. Please also advise of any health, mobility or other issues which might affect your participation in the event.

There is no closing date for volunteering but numbers are limited so please reply soon.

Northern Heights

This summer Northern Heights welcomed more groups than ever before! Buildings and camping areas were booked out for most of the season and the Site has been enjoyed by Brownies, Guides and Youth groups such as St. John Ambulance and Our Second Home.

Several projects were undertaken this Summer including new decking on Earth House Patio, extended fencing on the archery range and a revamped pond dipping platform and a new footpath near the pond

Bookings are already coming in for 2020 so if you have a date in mind contact Crystal our booking secretary to avoid disappointment
